
Three Generations of Stallions, Six Generations of Mares

Price: \$15.00

Short Description

Three Generations of Stallions is the first film made at Varian Arabians. Filmed in 1982, it features the legendary Bay Abi++ at age 25, Bey El Bey++ at age 17, and Hucklberry Bey++ at age 7. Simple and lovely, this historical video is a must have for your library. Accompanying Three Generations is Six Generations of Mares, which begins with the foundation mare *Bachantka, who was imported by Varian Arabians from Poland in 1961. See *Bachantka in rare, old footage with five generations of offspring. Sheila Varian is interviewed about her breeding philosophies in this extraordinary piece of history.

Runtime: 20 Min.

Description

Three Generations of Stallions, Six Generations of Mares

Three Generations of Stallions is the first film made at Varian Arabians. Filmed in 1982, it features the legendary Bay Abi++ at age 25, Bey El Bey++ at age 17, and Hucklberry Bey++ at age 7. Simple and lovely, this historical video is a must have for your library. Accompanying Three Generations is Six Generations of Mares, which begins with the

foundation mare *Bachantka, who was imported by Varian Arabians from Poland in 1961. See *Bachantka in rare, old footage with five generations of offspring. Sheila Varian is interviewed about her breeding philosophies in this extraordinary piece of history.
